EDITORIAL

Active participation. That is what this club must have from all its members if it is to prosper and continue. As you will see from the Competition Standings published below, the rate of participation has, with certain exceptions, been very good. But let's make it even better in the future. It's not the points that count: It's participation. So, please try your best to turn out at as many of your club's events as possible, rain or shine. That way, we will all benefit.

COMPETITION STANDINGS

These are the standings up to and including our last event. Points are awarded both for participation and, in the case of the slalom, for proficiency.

PROCHAINE EPREUVE

Slalom

ENDROIT: MIRACLE MART
Coin Jean-Talon et Pie IX
Montréal.

DATE: Dimanche, le 8 juin 1975.

HEURE: 10:00 a.m.

Nous avons besoin des services bénévoles des membres qui ne participeront pas à la compétition pour agir comme chronomètres, marqueurs, etc. Apportez votre collaboration à la bonne marche du club.

TREASURE HUNT

July 6th is the date of our 3rd activity of the season: a treasure hunt in the Laurentian area. We will meet at the restaurant 'LA PORTE DU NORD', which is just past St-Jérôme on the Laurentian Autoroute. Meeting time: 10:00 A.M. Please be on time.

For lunch, we suggest that you bring a picnic. If it rains, we shall eat in our cars (sorry for you, Ed, you won't have space for a large table in the MG, especially if Pat is with you!) We might try to find a spot for a group picnic or, maybe the hunters will eat during the search!

More information on this matter on the treasure hunt day.

PIERRE.

CHASSE AU TRESOR

Le 6 juillet est le jour choisi pour notre troisième activité: une chasse au trésor dans les Laurentides. Nous vous rencontrerons au restaurant 'LA PORTE DU NORD', qui est située sur l'autoroute des Laurentides, juste au nord de St-Jérôme. Heure du départ: 10:00 a.m. Soyez ponctuels, s.v.p.

Nous prendrons le déjeuner sur l'herbe (un bon pique-nique): apportez vos victuailles. S'il pleut, nous aurons le plaisir de manger dans nos voitures. Nous tenterons de trouver un aire propice pour le groupe à moins que quelques fanatiques chercheurs préfèrent manger en poursuivant les fouilles.

Plus d'informations vous seront données le matin-même.

A bientôt,

PIERRE

"LES MEILLEURS PRIX EN VILLE"

J'ai le plaisir de vous annoncer que lorsque vous irez chercher des pièces pour vos voitures chez les concessionnaires British LeyLand (1) Decarie Motors, rue Gince, Ville St-Laurent, (2) Lacordaire Auto, rue Le Mans, Montréal (Jean-Talon et Lacordaire), vous aurez droit, en mentionnant votre appartenance au EVEA, au pris de gros accordé aux garagistes (-15% ou -20% selon l'article). Vous devrez toutefois payer la taxe provinciale.

J'espère que vous encouragerez ces concessionnaires qui coopèrent avec nous. Si vous pouvez obtenir des concessions du genre d'autres endroits, n'hésitez pas à m'aviser.

SPARES FOR JAGUAR, DAIMLER, TRIUMPH & STANDARD

Here is the text of a letter received recently from Oldham & Crowther, 27 Ivatt Way, Westwood Industrial Park, Peterborough PE3 7PH, England, who are specialists in the restoration of old cars and manufacturers of body panels.

"Sir-.....We have been negotiating successfully with British Leyland to purchase all their pre-1967 spares for Jaguar, Daimler, Standard and Triumph cars. We will, when all the spares have been sorted and listed, have a catalogue printed which will cost one dollar post free.

For all these cars, ordering by description should not be a problem as we are totally familiar with them.

Yours faithfully,

Ruth Oldham (Miss)"

As you see, this is an extra source for parts if local dealers cannot help. One good thing is that Oldham & Crowther also make parts that are not listed but have a potential volume.

So, if you need it, the information is yours too.

BATTERIES

Michael Dohrendorf tells us that he has received word from Mr. Stephen Dear of Motor Master Vehicle Battery Distributors, 138 Lower Ashley Road, Bristol 2, BS2 9PR, England, advising that they still sell long, narrow, dry and unfilled batteries for approximately £18.00 plus packaging and shipping. He advised us that the supply is getting very unreliable and that the stocks are rather low. Immediate attention is projected.
